Dear [REDACTED] 25X1A9a

25X1A8a Thanks very much for your letter of 19 April 1947 welcoming me to the [REDACTED]. It is a pleasure to be associated with this organization, and I hope someday to get around the field and become closer acquainted with all of our operating personnel.

I know [REDACTED] 25X1A9a has just written you so I shall not duplicate any ideas on the contents of his letter.

As you may have learned, the International Broadcasting Division of the State Department has been cut off without any appropriations to carry on their present work to say nothing of any increased program. I believe, however, that before Congress is adjourned provisions to continue this program will be made despite the present publicity to the contrary. This is purely a matter of personal opinion.

Naturally, we would be very happy to see some of the things you anticipate in your letter actually implemented, and we shall be on the alert and prepared to meet any developments along those lines.

Since I am attempting to double in brass during absence, I shall of necessity make this very brief.

25X1A9a

[REDACTED]

Sincerely,

25X1A9a
